Dear Mr. Abdelilah,

On the 25<sup>th</sup> anniversary of Dar AlHijrah, I would like to extend my deepest gratitude for your wonderful partnership with the Culmore Family Resource Center.

Your participation and leadership in many of the community activities have benefited the people we jointly serve and have set a high model to the many organizations that partner with the Culmore Family Resource Centers. The Culmore Center has more than 30 partners, and your regular attendance and contributions to the monthly Partners' Meeting have benefited our center and our many partners. Some of those active organizations include Hispanics Against Child Abuse & Neglect (H.A.C.A.N.), Boat People SOS, Tenants & Workers United, St. Anthony of Padua Catholic Church and many others. Your positive suggestions, active leadership and problem-solving skills have been invaluable to the Culmore Center, its partners and the community as a whole.

We look forward to a continuing and lasting partnership with you. Our appreciation is always with you. Congratulations on your 25<sup>th</sup> anniversary and may God Bless you and bless many more years of your services within our community.

Sincerely

Dalia Shiber Schlegel
